

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

" An Officer who may become unfit for service in consequence of wounds received in action, or of ill-health contracted *in and by* the performance of military duty, as certified by a Medical Board, may be granted temporary half pay until he shall recover, and until an opportunity shall occur for his re-employment. Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted *in the service*.

" In the case of an Officer placed upon temporary half pay in consequence of injuries caused *in and by* the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such officer upon permanent half pay, after not less than one year upon temporary half pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted *in the service*.

" But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 225*th* a year at 43 years of age.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

Admiralty, 14th June 1871.

1. My Lords are pleased to direct that in future every Officer entitled to Half-pay shall, without application on his part, be placed on the Half-pay List as soon as his full-pay ceases, and his accounts are clear.

2. Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they, or any of the Officers

under their command, are discharged to Half-pay, one of the returns herein-after specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. The Form already required to be furnished, and specified at page 175 (Appendix) of the Addenda (1868) to the Admiralty Instructions, will suffice for officers returning to Half-pay from Foreign Service, amended as per specimen annexed and marked A.

4. Whenever an Officer is discharged abroad to return to England, who will be entitled to Leave of Absence on Full-pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his pay documents for delivery; but if he will not be entitled to such Full-pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. VIII. By Her Majesty's Orders in Council, it is directed that the leave is only allowed at their Lordships' discretion, on return from Foreign Service, as follows:—

Over 1 and under 1½ years, 14 days on Full-pay.

At their Lordships' discretion, and in very special and exceptional cases only, the minimum period of one year's Foreign Service may be dispensed with, and additional leave may also be granted beyond the maximum of eight weeks.

They will be required to take a share in the ordinary duties of their Ships, such as watch-keeping, acting as Divisional Officers, as in the case of Gunners Lieutenants. (For the information of Parents and Guardians.)

1. The Naval Cadets who join the "Britannia" are allowed four terms of study each year—to complete their course of study, at the expiration of which they go up for final examination.

2. The terms are from about the 1st February to the 15th July, and from about the 31st August to the 30th December; and the vacations will be six weeks in Midsummer, five weeks at Christmas, and two weeks at Easter; the dates of commencement of vacation depending upon the completion of the examinations by the President, Royal Naval College, Greenwich.

3. The friends of the Cadets must be prepared to receive them during all the vacations.

4. The following payment will be required from the Parents or Guardians of each Cadet while in the "Britannia":

Before the commencement of each Term, £25; except in the case of those received at the reduced rate of 40*l.* a year, whose half-yearly payments will be 30*l.* only.

8. The Cadets have a weekly allowance, and all expenses attending their amusements are paid for by the Ship. It is therefore requested that their friends do not give them any money except on joining, or on their return from the Vacations, and then the amount must not exceed Ten Shillings. It is particularly requested that this Regulation be adhered to. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain of the "Britannia."

10. Cadets are not permitted to open an account with Tradesmen. Parents and Guardians are therefore requested to pay no bills that may be sent them.

11. Should there have been any infectious disease in the house where Cadets have been staying during their holidays, notice of the circumstance is to be given to the Commanding Officer of H.M.S. "Britannia"; and they are not to join until they have received a communication from him to that effect.

7. These observations are to be initiated, as having been taken and worked by the Junior Officers, by the Naval Instructor or Officer acting in that capacity; and they are to be revised and valued, in red ink, by him. Observations may be taken till correct results are obtained; by this means every Junior Officer will have the opportunity, by the exercise of due diligence, of obtaining full marks for his sights.

8. A number is to be assigned to each Officer examined, who is to note it on every paper he works out, together with the name of his ship; but he is never to write his name except on the papers containing his observations.

9. No books are to be allowed during the Examination except Tables of Logarithms and the Nautical Almanac. (French Dictionaries and Tables of Logarithms bound up with a Treatise on Navigation are not to be used.)

10. Each Junior Officer's log is to be closely written up, and is to be examined and reported upon.

11. Each Junior Officer is to be examined as to his progress in Seamanship, Gunnery, and Steam; the questions being regulated by length of service, and marks are to be assigned according to proficiency—full numbers being 1,000 for Seamanship, 600 for Gunnery, and 400 for Steam.

12. The examination in Seamanship, Gunnery, and Steam is to be conducted by the Officer in command, assisted by the Commander or Senior Lieutenant, Gunnery Lieutenant, and Chief Engineer, or other competent Officers. The examination in Navigation, Mathematics, &c., is to be conducted by the Naval Instructor, who, where necessary, is to be assisted by

the Navigating Officer. In those ships where no Naval Instructor is borne the Officer in command will appoint the Navigating or other competent Officer to conduct the examination.

13. If at the time of the written examination two or more ships be in company, it is desirable that they should exchange instructors, so that the examinations should be supervised by a stranger, rather than by an officer belonging to the same ship as the pupils.

14. When the examination is concluded, the worked papers are to be examined on board each ship by the Naval Instructor or the Officer who conducted the examination, who is to inform the Captain, for the information of the Officers examined, of the probable results of the examination. The papers are then to be sent to the flag ship of the squadron or station for the information of the Commander-in-Chief, and are to be examined by the Naval Instructor of that or such other ship as the Commander-in-Chief may direct, who is to issue a statement of the results arrived at by him, which is to be promulgated among the various ships on board which the examinations were held.

All the papers are then to be forwarded to the "Secretary of the Admiralty," with a list of the index numbers, corresponding names, the date on which each Officer passed out of the "Britannia," and the class then obtained for study, together with the marks allotted in Seamanship, Gunnery, and Steam, and also a copy of the provisional statement of results.

15. Should any emergency arise, such as "stress of weather," so as to interfere with the authorised days, the examination is to be held as soon after as circumstances permit, and the Commanding Officer is to report the full circumstances of the case.

By command of their Lordships,

ALEXANDER EDWARDS.

To all Commanders-in-Chief, &c.

The Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, relative to the Examination of Candidates for the Appointment of Surgeon in the Royal Navy, shall in future be adopted:—

1. Every Candidate desirous of presenting himself for admission to the Naval Medical Service must be not under twenty-one nor over twenty-eight years of age. He must produce a certificate from the District Registrar, in which the date of birth is stated; or, if this cannot be obtained, an affidavit from one of the parents or other near relative, who can attest the date of birth, will be accepted. He must also produce a certificate of moral character, signed by a Clergyman or a Magistrate to whom he has been for some years personally known, or by the President or Senior Professor of the College at which he was educated.

He must be free from organic disease, and will be required to make a declaration that he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability that can interfere with the most efficient discharge of the duties of a Medical Officer in any climate.

His physical fitness will be determined by a Board of Medical Officers, who are to certify that his vision comes up to the required standard, which will be ascertained by the use of Snellen's Test Types.

He must also attest his readiness to engage for general service, and to proceed on foreign service when required to do so.

3. He must be registered under the Medical Act in force at the time of his appointment, as licensed to practise Medicine and Surgery in Great Britain or Ireland.

The eligibility of each Candidate for the Naval Medical Service will be determined by the result of the examinations in these subjects only.

Candidates who desire it will be examined in Comparative Anatomy, Zoology, Natural Philosophy, Physical Geography, and Botany, with special reference to *Materia Medica*; also in French and German; and the number of marks gained in these subjects will be added to the total number of marks obtained in the obligatory part of the examination by Candidates who shall have been found qualified for admission, and whose position on the list of successful competitors will thus be improved in proportion to their knowledge of these branches of science.

6. After passing this examination, every Candidate will be required to attend one entire Course of Practical Instruction in the Medical School at Netley, on—

- (1) Hygiene.
- (2) Clinical and Naval and Military Medicine.
- (3) Clinical and Naval and Military Surgery.
- (4) Pathology of Diseases and Injuries incident to Naval and Military Service.

7. At its conclusion, the Candidate will be required to pass an examination on the subjects taught in the School.

If he give satisfactory evidence of being qualified for the practical duties of a Naval Medical Officer, he will be eligible for a Commission as Surgeon.

8. During the period of his residence at the Netley Medical School, each Candidate will receive an allowance of 5s. per diem with quarters, or 7s. per diem without quarters, to cover all costs of maintenance; and he will be required to provide himself with uniform (viz., the Regulation undress uniform of a Surgeon, but without the sword).

9. All Candidates will be required, while at Netley, to conform to such rules of discipline as the Senate may from time to time enact.

10. After completing three years' Full Pay Service, Surgeons will be allowed to be examined for the rank of Staff-Surgeon; but no Surgeon can be promoted to the rank of Staff-Surgeon until he shall have served five years, two of which must have been in a ship actually employed at sea.

Those residing near one of Her Majesty's Dockyards, or one of the First Reserve ships, or Drill Ships of the Royal Naval Reserve, or the Flagship at Queenstown, will be examined by the Medical Officers attached thereto. Special arrangements will be made, if necessary, on application, with reference to Candidates from more distant localities. The Medical examination will be conducted in all respects in strict accordance with the instructions for the examination of persons for admission into the Naval Service. All Candidates at the time of their Medical Examination must produce Certificates to the satisfaction of the examining Officers that they have been vaccinated, or they must be vaccinated before they can be considered eligible for entry into the Dockyard.

Candidates will also be tested as to their ability to read aloud with clearness, distinctness, and accuracy, and without hesitation. Stammering or any imperfection of utterance will be regarded as a disqualification.

10. Candidates who fail to pass in the first four subjects (those marked with an asterisk), or in reading aloud, will be disqualified, and their other papers will not be examined. The Candidates who obtain not less than 750 marks in the aggregate will be classed in one general list in order of merit, according to the number of marks gained, and will be eligible for appointment as Engineer Students in one of the Dockyards, according to the number of appointments which it may be decided to make that year.

11. The Candidates who obtain appointments will be entered as Engineer students before the 1st July in each year, and must join with their Parents or Guardians in a Bond for £200 to enter, if required, into Her Majesty's Naval Service as Assistant Engineers if at the expiration of their training they should obtain Certificates of good conduct and efficiency for entry in that capacity. These Bonds and the indentures of Apprenticeship must be completed in all respects before the Students join the Dockyard.

12. The Parents or Guardians of all Engineer Students entered in future will be required to pay the sum of £35 a year for each Student during the first three years of his training.

13. The first payment of £35 is to be made before the Student is entered in the Yard, and the second and third payments of £25 each are to be made on or before the 30th day of June in each of the two succeeding years. The payments are to be made to the Cashier of the Yard to which the Student is appointed. In case of failure of payment the Student will be discharged.

14. Board and Lodging will be provided for Engineer Students, and they will be required to reside in one of the Dockyards or in a vessel adjacent thereto.

15. The weekly pay of Engineer Students during their training will be as follows, provided they are well reported on by the Officers:—

Second "	Two Shillings	
Third "	Three "	
Fourth "	Five "	
Fifth "	Six "	
Sixth "	Ten "	

16. Three weeks leave (18 working days) on full pay will be granted each year to all Engineer Students whose conduct and progress have been satisfactory. This leave is to be taken during the School Vacations at Midsummer and Christmas.

17. Engineer Students will be under the supervision of the Captain of the Steam Reserve and a Staff of competent Officers, and subject to such rules and regulations as their Lordships may deem necessary.

18. Special Regulations will be made for Engineer Students in the Dockyards, so as to make a distinction between them and the Workmen.

19. Engineer Students will remain for Six Years at one of the Dockyards for practical training in the Workshops, and to receive instruction in Iron Shipbuilding. While the Engineer Students are being instructed in Iron Shipbuilding they are to be under the direction of the Chief Constructor. They will attend the Dockyard Schools for such periods, and to pursue such studies as may from time to time be determined on; they will also pass a portion of each time in the Drawing Office. Means will be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer respecting the working of Marine Engines and Boilers, including those repairs which can be carried out aboard, the practical use of the various instruments used in the Engine-room, including the Indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

20. Engineer Students will be examined once a year under the direction of the President of the Royal Naval College. They will be examined by the Engineer Officers of the Admiralty at the end of the fourth, fifth, and sixth years of their service as to their practical acquirements and knowledge of steam machinery. Two prizes will be given annually at each Dockyard to the Engineer Students most highly reported on as regards their skill as workmen. Practical Engineering will be considered an essential subject at Examinations, and in the lists showing the results of Examinations the numbers obtained in Practical subjects, will be shown distinct from

those obtained in Educational subjects. No Engineer Student will be granted a qualifying Certificate for entry at the Royal Naval College unless he obtains at least 50 per cent. of the total number of marks for Practical Engineering on his final Examination, and also displays a competent knowledge of the subjects taught in the Dockyard Schools.

31. The Examination of the Sixth-Year Students is to be held in time for the necessary Certificates to be forwarded to the Admiralty on or before the 3rd June in each year, and it will include tests of their skill as workmen. Those found qualified will, on the completion of their term of service at the Dockyards, proceed to the Royal Naval College at Greenwich as Acting Assistant Engineers on probation on the 1st October succeeding the Examination, where they will pass through a course of higher instruction.

32. Those Engineer Students who fail to pass the Examination at the end of their Six Years' Service will be allowed to remain one year longer at the Dockyards, and will then be re-examined, when, if they are unable to pass, they will cease to be eligible for the rank of Naval Engineer. The Pay of a Student during such year of probation will be the same as during the sixth year.

33. Engineer Students will not be entered as Acting Assistant Engineers until they have been pronounced fit for Her Majesty's Service by the Medical Officers, and have learned to swim.

34. Acting Assistant Engineers will be provided with quarters whilst at Greenwich. During their first session they will be paid 4s. a day, and 1s. 6d. a day towards the mess expenses. Those selected for further study will receive their full pay and 1s. 6d. a day towards the mess.

35. The period of study at Greenwich will be one session, extending from the 1st October to the 30th June following. All will be examined under the direction of the President of the Royal Naval College on the completion of their course at Greenwich, and will receive Certificates according to their merit, in three classes. Those who obtain First Class Certificates will receive Commissions dated the same day as their Acting Appointments. Those who obtain Second Class Certificates will receive Commissions dated six months after the date of their Acting Appointments, and those who obtain Third Class Certificates will receive Commissions dated the day after their discharge from the Royal Naval College. The additional time given for First Class Certificates and Second Class Certificates will reckon in all respects as time served as Assistant Engineer.

36. Two Assistant Engineers will be selected annually from those who take the highest place at the Examination on the completion of their course at Greenwich, to pass through a further course of scientific instruction if they desire it. These two will be allowed to remain two more sessions at Greenwich, on the completion of which they will be sent to Sea as Assistant Engineers, and after one year's service at Sea, they will be considered eligible to fill positions in the Dockyards and at the Admiralty.

37. Those passing the Second and Third Sessions at Greenwich will be attached during the vacations between the 30th June and 1st October to the Dockyards or Steam Reserves, where they will be employed sketching Machinery, attending trials of new and repaired Engines, and gaining such professional information as will be most useful to them for the purposes of Engine Design.

38. No Assistant Engineer who has passed Three Sessions at Greenwich will be allowed to leave Her Majesty's Service within seven years of the completion of his term at Greenwich, unless he shall pay the sum of 500*l.* to defray the charges of his education. Such resignation to be subject in each case to their Lordships' approval.

NAVIGATING AND PILOTAGE DUTIES OF THE FLEET.

FLEET CIRCULAR No. 41.—C.

(Re-issuing the provisions of Circular No. 5 C of 27th March 1877, with slight alterations.)

Admiralty, 27th May 1878.

The entry of Navigating Cadets having ceased, my Lords Commissioners of the Admiralty are pleased to issue the following regulations for the performance of the Navigating and Pilotage duties of the Fleet, and for the carrying out of the necessary arrangements affecting the present class of Navigating officers.

1. Circular No. 5 C, of 27th March 1877, is hereby cancelled, and its provisions, so far as they are retained, are embodied in this Circular.

2. All Naval Cadets who entered the service after 31st December 1875 will be required to pass an examination in Pilotage, and after completing the examination in Gunnery for Lieutenant they will be appointed to the Flag Ship at Portsmouth for a period of two months for instruction; they will then be required to pass the Pilotage examination in the Hydrographic Office, Whitehall.

3. Officers now on the Lieutenants' and Sub-Lieutenants' Lists who apply to be appointed to Navigating and Pilotage duties will, if approved by their Lordships, be appointed to the Flag Ship at Portsmouth for instruction, for a period of two months; they will then be required to pass the Pilotage examination in the Hydrographic Office, Whitehall.

4. No Lieutenant will be eligible for appointment to Navigating and Pilotage duties until he has completed one year's service at sea as a Lieutenant. Every Sub-Lieutenant who has elected Navigating duties will, when promoted the rank of Lieutenant, be appointed to a sea-going ship to serve one year as a watch-keeping officer.

5. Lieutenants may, after performing Navigating duties for three years, pass for First-Class Ships; but no Officer, after promotion to the rank of Commander, will be considered eligible for a Navigating appointment, unless he has passed for First-Class ships, either in the rank of Lieutenant or Commander.

6. Officers electing Navigating duties will be required to keep themselves efficient in gunnery, and will, from time to time, be required to go through a short course of gunnery in the "Excellent" or "Cambridge;" and

in the Quarterly Returns of gunnery from Her Majesty's ships, it will be reported whether they are competent to drill Quarters, and are conversant with the Rifle and Sword Exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

7. Officers who elect Navigating duties will not be required to continue those duties after promotion to the rank of Commander, unless they should wish to do so.

8. Lieutenants and Sub-Lieutenants appointed for Navigating duties will be required to take a share in the ordinary duties of their ships, such as Watch-keeping, acting as Divisional Officers, &c., as in the case of Gunner Lieutenants. But this participation in the ordinary duties should not interfere with their special Navigating duties, and is to be arranged at the discretion of the Captain.

9. If the Commander, Lieutenant, or Sub-Lieutenant appointed for Navigating duties should be senior to the Executive Officer, he will, in the absence of the Captain, succeed to the command of the ship. But he is not to take upon himself the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

10. Officers selected for Navigating duties will remain eligible for promotion to the highest rank in the Service; and, as Captains and Commanders, &c., as well as Staff Captains and Staff Commanders, may be appointed Masters Attendant, Assistant Master Attendant, and Queen's Harbour Masters.

11. The pay of the under-mentioned Officers performing Navigating duties will be as follows:—

Commanders.—The full pay of their rank, and additional pay of from

4*o.* to 1*o.* 4*d.*

At the discretion of their Lordships.

Lieutenants.—The full pay of their rank, and, if of five years' seniority and upwards, extra pay of

2*o.* 2*d.*

Under five years' seniority, extra pay of

2*o.* 6*d.* 2*d.*

If passed for First Class Ships, without regard to seniority, additional pay of

4*o.* 2*d.*

(NOTE.—In the event of a Lieutenant for Navigating duties becoming Senior Lieutenant, he will draw allowances as such as well as additional pay for Navigating duties.)

Sub-Lieutenants.—The full pay of their rank and additional pay of

2*o.* 6*d.* 2*d.*

All Officers of the Military Branch are liable to be called upon to perform Navigating and Pilotage duties in Her Majesty's ships, but additional pay for Commanders, Lieutenants, and Sub-Lieutenants for doing so is contingent on their having passed in Pilotage.

12. All Officers now on the lists of Staff Captains, Staff Commanders and Navigating Lieutenants, will continue to perform the same duties, and be eligible for the same appointments as at present.

13. Navigating Sub-Lieutenants, on being selected for promotion, will be allowed the option of being placed either on the Lieutenants' or on the Navigating Lieutenants' list; but if they elect the Lieutenants' list they will still be required to perform Navigating duties, if called on to do so, until promoted to the rank of Commander.

14. Officers promoted from the Navigating Sub-Lieutenants' list to the Lieutenants' list, will, within the first six months of their service, be required to go through a course of Gunnery in the "Excellent" or "Cambridge," and in the Quarterly Returns of Gunnery from Her Majesty's ships, it will be reported whether they are competent to drill Quarters, and are conversant with the Rifle and Sword Exercises. The Captains of the ships in which they serve will take care that facilities are afforded these officers for keeping up their knowledge on these subjects.

15. Commanders, Lieutenants, and Sub-Lieutenants who perform Navigating duties, and officers transferred from the Navigating class to those who will be shown in the "Navy List" with the letter *N* against their names.

By Command of their Lordships,

ROBERT HALL.

To all Commanders-in-Chief, &c.

X. Temporary Provisions.

The following provisions to apply to Flag Officers, Captains, Commanders, and Lieutenants now holding those ranks on the Active List:—

1. All Officers to whom, in the following clauses, an option is given, must signify to Us, in writing, within such time as may be prescribed, in what manner they elect to exercise such option. In the event of their failing so to intimate their wishes, it will be deemed that they have elected the new Regulations laid down in this scheme.

2. The new scales of full-pay and allowances to apply to all Officers, unless they request, in writing, within such time as may be prescribed, to be paid according to those now in force, in which case they will continue to receive the old rates of pay and allowances during all their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be dealt with under the old Regulations, will retain their present rights, except so far as they are expressly limited by these Temporary Provisions; but in that case it must be clearly understood that they will have none of the advantages of the new Regulations.

[By Circulars 28 of 1874, 31 of 1874, provision is made for allowing officers to change from Old to New Regulations, if they would not, under the New Regulations, have been compulsorily retired before the date of application to exchange.]

4. Officers to whom the above option is given, and who elect to be dealt with under the new Regulations, will receive half-pay, and will be promoted and retired in accordance with them, but will retain no rights abolished by them, except so far as is expressly laid down in these Temporary Provisions.

5. Officers retired may, at their own request, and after obtaining in each case Our consent, commute their half or retired pay, under the Rules laid down by the Lords Commissioners of Her Majesty's Treasury for administering Act 32 & 33 Vict., cap. 32.

6. Admirals of the Fleet, and Admirals who commanded a ship as Captain or Commander prior to the termination of the War in 1815, to be allowed to remain on the Active List; such Admirals to be eligible for promotion to the rank of Admiral of the Fleet.

7. All other Flag Officers now on the Active List to have the option of being promoted and retired, either under the new Regulations, or under the terms of the

Order in Council of March 34, 1860, but with the following modifications in the latter case:—

(a.) To be retired at 70, if an Admiral of the Fleet or Admiral; at 66, if a Vice-Admiral; at 63, if a Rear-Admiral; whether or not they have hoisted their flag or have been employed at the Admiralty; provided also, that Officers promoted to Active Flag rank, subsequently to 24th March 1860, will be subject to the new scale of age for retirement when promoted to the rank of Vice-Admiral.

(b.) To be retired as soon as 10 years have elapsed since their flag was hoisted down, or (if they have not hoisted their flag) since their service as Captain ceased.

(c.) When so retired, the names of those who have hoisted their flags, or have been employed at the Admiralty, will, if they should desire it, be retained on the Active List according to seniority, until such time as they would have been compulsorily retired under the Order in Council of 24th March 1860; but they will not be entitled to rise above the rank of Admiral or Retired Admiral. Their names to be supplementary to the established numbers of the List, and to be printed in italics; and when ultimately removed from the List by death or otherwise, the vacancies so caused not to be filled up.

(d.) Flag Officers so retired retain their Good Service Pensions.

(e.) It shall be lawful for Her Majesty, in case of distinguished service, to confer the rank of Retired Admiral of the Fleet on any present Flag Officer retired under the above conditions, provided he shall be qualified for that rank by seniority, and according to these Regulations; provided that there shall not be already three Retired Admirals of the Fleet.

8. Flag Officers now on the Active List, who elect to be retired under the new Regulations, to be promoted according to seniority to the rank of Admiral on the retired list, but without increase of retired pay.

9. The new requirement of service for promotion to the active rank of Vice-Admiral not to be enforced with regard to Rear-Admirals now on the Active List.

10. Rear-Admirals now on the Active List, who elect or are allowed to be retired as such under the new Regulations, to be entitled to 67½, instead of 60½, a year, as retired pay, subject to the deduction specified in the scale, but without the addition allowed for extra service.

11. Until the Active List of Admirals shall have been reduced to 7, only one in every two vacancies caused by retirement, or promotions consequent thereon, to be filled up.

[See Order in Council, 5th August 1874.]

12. Until the Active Lists of Vice-Admirals and Rear-Admirals shall have been reduced to 15 and 25 respectively, only one in every three vacancies caused by retirement, or promotions consequent thereon, to be filled up.

13. All vacancies caused by death to be filled up as they occur.

14. The Officers now holding the appointments of Vice-Admiral and Rear-Admiral of the United Kingdom, and First and Principal Naval Aide-de-Camp to Her Majesty, if retired as Admirals under the new Regulations, to receive an addition to their retired pay, not greater than the salary of their office; but the whole amount not to exceed the half-pay of an Admiral of the Fleet.

15. The new requirements of service for promotion to the rank of Rear-Admiral not to be enforced with regard to Captains now on the Active List, who are at present qualified by service for promotion under the old Regulations.

16. All Captains now on the Active List, of more than 8 years' standing, to be allowed the option of accepting, as to promotion and retirement, either the new Regulations, or those of Her Majesty's Order in Council of 24th March 1860, but with the following modifications in the latter case:—

(a.) Not to be allowed to remain on the Active List of Captains after the age of 60, or after 7 years have elapsed since their service as Captain ceased.

(b.) When promoted to the Active Flag List to be subject to the new Regulations on all respects, except that they will only be entitled, on retirement, to half-pay, according to the terms of the Order in Council of 24th March 1860.

17. All Captains now on the Active List, of less than 8 years' standing, to be allowed the same option, except that they will in no case be allowed to remain on the Active List after the age of 55.

18. Until the Active Lists of Captains, Commanders, and Lieutenants shall have been reduced to 150, 200, and 300 respectively, only one in every four vacancies caused by retirement, and promotions consequent thereon, to be filled up. Vacancies caused by death to be filled up as they occur.

[See Order in Council, 5th February 1873, 5th August 1874, altering this paragraph.]

19. No further additions to be made to the List of Reserved Flag Officers.

20. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

21. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

22. All Commanders and Lieutenants now on the Active List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale

provided by Her Majesty's Orders in Council of 1st August 1839, 9th July 1864, and 24th March 1868. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 8 years, but they will retain their present privilege as to rising in rank.

[See Order in Council of 1st July 1876, as to promotion of Commanders on attaining 15 years' seniority.]

23. The advantages conferred by the Order in Council of 26th June 1867 on some of the reserved Captains (F. G. List) to be extended to all such Captains; these Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 24th April 1867, 25th June 1871, and 26th June 1872; and to rise to Flag Rank according to their seniority as Captain.

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at Our discretion, be retired; if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank.

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,

The 4th day of August 1870.

Present:

THE QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1870, in the words following, viz.:

"Whereas in Your Majesty's Order in Council of 22nd February 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August 1870, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea. Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"(a.) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service."

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunners Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"(a.) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions:—

"Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"1. Three years served either before or after 1st August 1870, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August 1870, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"3. Three years served either before or after 1st August 1870, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"This shall not apply to any Officer who retired before 1st August 1870.

"4. Service subsequent to 1st August 1870, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) EDWARD HARRISON.

"Whereas by clause eight of section one of Your Majesty's Order in Council of 22nd February 1870, it is established that—

"Rear-Admirals shall not be eligible for promotion to the rank of Vice-Admiral on the Active List until they have completed one year's Sea Service, or its equivalent in Harbour Service as Flag Officers; but such Officers as arrive at their turn for promotion without having completed the qualifying service, and not having attained the age for retirement, to remain on the Active List until qualified for promotion, or until retired; if promoted, to take rank according to former seniority."

"And whereas Your Majesty's subsequent Order in Council of 8th August 1875, with a view to providing temporarily for a more uniform flow of advancement to the ranks of Flag Officer, Captain, Commander, and Lieutenant in Your Majesty's Navy, authorised an increase, by 10, of the number of Rear-Admirals as laid down in the Order in Council of 22nd February 1870, by which increase, in consequence of the limited number of appointments open to that rank, it is rendered impossible to provide for every Officer obtaining the necessary qualifying service before he arrives at his turn for promotion:—We do most humbly submit that, in order to avoid the necessity of passing over Officers who are, in other respects, well qualified for advancement, We be empowered to cancel the before-quoted clause of Your Majesty's Order in Council of 22nd February 1870, and to supplement the powers conferred by the same Order in Council so far as refers to the compulsory retirement of Admirals and Vice-Admirals by the following provision, viz.:—

"Flag Officers who have not hoisted their flag, as Flag Officers, to be retired at the age of 60.
"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the cost of this proposal."
Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed;

and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No. 8.—C.W.
At the Court at Osborne House, Isle of Wight,
The 21st day of July 1875.

Present:

The QUEEN's most Excellent Majesty in Council.
Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July 1875, in the words following, viz.:—

"Whereas we have had under our consideration the case of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank under Your Majesty's Orders in Council of 22nd February 1870, and 4th August 1875, and who, not having the requisite sea service, are not entitled to a step of rank on retirement; and whereas under the provisions of Your Majesty's Order in Council of 5th August 1875, Captains are allowed one step in rank, according to seniority, after retirement, irrespective of any qualifying service. We most humbly submit to your Majesty that Commanders who have already been retired, or who may hereafter retire without having served sufficiently long at sea to qualify them for promotion to the rank of Captain, may, at our discretion, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but without any increase of Retired Pay or Widow's Pension."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PROMOTION OF FLAG OFFICERS, CAPTAINS, COMMANDERS, AND LIEUTENANTS, AND RETIREMENT OF SUB-LIEUTENANTS.

[These provisions are modified by Order in Council, 4th August 1875.]

At the Court at Osborne House, Isle of Wight,

The 5th day of February 1875.

Present:

The QUEEN's most Excellent Majesty in Council.
Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 20th December 1871, in the words following, viz.:—

"Whereas Your Majesty, by Order in Council of 22nd February 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy; and whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also that it is necessary to establish regulations for the retirement of Sub-Lieutenants."

"We would, therefore, most humbly submit to Your Majesty—

"1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

"2. That until the list of Captains is reduced to one hundred and fifty, we be authorised to promote Officers to vacancies caused by retirement, according to the following scale:—

"(a.) One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

"(b.) One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of

Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

"(c.) One Lieutenant in each vacancy arising on the List of Commanders from the above promotions."

"3. That we be further authorised, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders."

"4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur."

"5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorised to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorised by Your Majesty's aforesaid Orders in Council."

"6. Captains who were promoted to that rank before the 1st April 1870, and who elected the new regulations for retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April 1870."

"7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service."

"8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with their consent and at our discretion, to retire irrespective of age."

"9. Retired Pay to be granted as follows:—After three years' seniority, *£s.* 6d. per diem, an additional *6d.* being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., *£s.* 10. per diem."

"10. Officers who in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit to award them."

"11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Flag Officers, Captains, Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council."

"12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act 35, and 36 Vict. cap. 50.

"13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

"We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—C.

At the Court at Osborne House, Isle of Wight,
The 5th day of August 1875.

Present :

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz.:

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy: And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—

3 Admirals of the Fleet.	} Total 68.
10 Admirals.	
30 Vice-Admirals.	
25 Rear-Admirals.	

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement until the number is reduced to ten, and the addition to the List of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:

"Admirals and Vice-Admirals	55
"Rear-Admirals	50
"Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 29.—C.W.

At the Court at Windsor,
The 29th day of November 1879.

Present :

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1879, in the words following, viz.:

"Whereas we have had under our consideration the effect of the said Majesty's Orders in Council of 22nd February 1870 and 15th February 1873, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank, and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued:

"We are of opinion that it is necessary:—

"1. To increase the number of Lieutenants for executive duties;

"2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers; and

"3. To make better provision for the promotion of Sub-Lieutenants.

"We do most humbly submit that Your Majesty will be pleased to sanction:—

"1. That the number of Lieutenants for Executive duties shall be 800.

"2. That we be authorised to increase that number of Lieutenants gradually to 1,000 in proportion as the numbers on the Lists of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz. 250, so that eventually the List of Lieutenants shall be 800 for Executive duties and 200 for Navigating duties.

"3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year.

"4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22nd February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

XII. Temporary Provisions.

2. All Officers to whom, under the following clauses, an option is given, must signify to Us in writing, within such time as may be prescribed, in what manner they elect to exercise such option. In the event of their failing to intimate their wishes, it will be assumed that they

have elected the new Regulations for Retirement laid down in this scheme.

3. The new scales of pay and allowances to apply to all Officers, unless they request in writing, within such time as may be prescribed, to be paid according to those now in force, in which case they will continue to receive the old rates of pay and allowances during all their future services except present Assistant Paymasters, who, when promoted to the rank of Paymaster, will only be entitled to receive pay according to the new scale.

4. Officers to whom option is given, and who elect to be dealt with under the old Regulations, will retain their present rights as to half-pay, promotion, and retirement, except so far as they are expressly limited by these Temporary Provisions, but they will have none of the advantages of the new Regulations, except as to pay and allowances in accordance with the preceding clause.

7. Present Chaplains and Naval Instructors to be allowed, at their option, either the terms of the "New Regulations" as to half-pay and retirement, or the privilege of remaining under the old Regulations; but in no case to be allowed to remain on the Active List after they have attained the age of 60.

8. Chief Engineers who entered Her Majesty's service before 27th February 1847 to be allowed to count towards retirement all time served as 1st and 2nd class Engineer.

application, to change such election, are pleased to state, for the guidance of all Officers concerned, that any Officer (provided that at the date of such application his name be upon the Active List) who, upon the passing of the Order in Council of 22nd February 1870, elected old Regulations for Full Pay, Half Pay, and Retirement will, upon application to their Lordships, be allowed to change to the New Regulations specified in the said Order in Council.

By command of their Lordships,

The Lords Commissioners of the Admiralty are pleased to direct, with respect to the permission to exchange from the Old to the New Regulations for Full-pay, Half-pay, and Retirement, which was granted by the Circular of 24th September last to every Officer who

at the time of applying should be on the Active List, that application for Exchange cannot be entertained where the Officer, if he had originally elected the New Regulations, would have been compulsorily retired under them before the date of such application.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council. WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870 in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four

vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June 1867, that Staff Commanders having served 30 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July 1864 it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List, that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion: We are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF CHAPLAINS.

At the Court at Osborne, Isle of Wight,
The 5th day of February 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January 1870, in the words following, viz:—

"Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains and Naval Instructors of Your Majesty's Navy; And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to cease to serve Your Majesty at a period earlier than that laid down by the Order in Council; And whereas we are also of opinion that the services of such Officers, if of a certain duration, should not be unrecognized: We do therefore most humbly submit that Clause 6, paragraph 3, of the said Order in Council be cancelled, and that We be authorised to make the following regulations:—

"1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz.:

After 10 Years' Service ... £ 50 per annum.

" 15 " " " £100

" 20 " " " The amount earned by

service under Order in Council of 22nd February 1870.

"2. That Chaplains who have less than 10 years' service and accept a living, will be considered as desiring to resign Your Majesty's Service, and will accordingly not be entitled to any pecuniary retiring allowance, or to either Half or Retired Pay. The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF PAYMASTERS AND ASSISTANT PAYMASTERS.

ORDER IN COUNCIL, No. 5.—C.

At the Court at Windsor,

The 3rd day of March 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of March 1870, in the words following, viz:—

"Whereas we have had under consideration the state of the Active List of Paymasters and Assistant Paymasters in Your Majesty's Fleet; and whereas we are of opinion that, in order to increase the efficiency of those Lists, and to maintain a steady and more equal flow of promotion, it is necessary to reduce the Active List below the numbers laid down by Your Majesty's Order in Council of 22nd February 1870, the numbers now borne being in excess of the requirements of Your Majesty's Service; we would, therefore humbly propose to Your Majesty:—

"1. That paragraphs three and four of section six of Your Majesty's said Order in Council of 22nd February 1870 be cancelled.

"2. That the Active List of Paymasters, including Secretaries, be reduced to two hundred.

"3. That the Active List of Assistant Paymasters, Clerks, and Assistant Clerks, be reduced to two hundred and thirty.

"4. That until the Active List of Paymasters shall have been reduced to the numbers proposed, Paymasters, of whatever age, be retired, with their consent and at our discretion, on the terms laid down in Your Majesty's said Order in Council of 22nd February 1870.

"5. That until the Active Lists of Assistant Paymasters, Clerks, and Assistant Clerks, shall have been reduced to the numbers proposed, Assistant Paymasters be retired, with their consent and at our discretion:—

"(a.) If under three years' standing, with the pay of two shillings and sixpence per diem.

"(b.) If of three years' standing, with three shillings and sixpence per diem, an additional sixpence per diem being given for each complete year beyond three, served as Assistant Paymaster, until the maximum is reached, viz., six shillings per diem, these being the same terms as those laid down in Your Majesty's said Order in Council of 22nd February 1870.

"6. That until the list of Paymasters shall have been reduced to the number proposed, we be empowered to promote to the rank of Paymaster, in the vacancies caused by death or compulsory retirement, not exceeding ten in any one year; but that in the case of voluntary retirement no promotion shall be made.

"We beg that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF NAVIGATING SUB-LIEUTENANTS.

ORDER IN COUNCIL, No. 15.—C.

At the Court at Osborne House, Isle of Wight,

The 9th day of August 1872.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st August 1872, in the words following, viz.:

"Whereas Your Majesty was graciously pleased, by Your Order in Council of the 9th February 1872, to establish Regulations for the Retirement of Sub-Lieutenants of Your Majesty's Navy; and whereas, having had under our consideration the present state of the Active List of Navigating Sub-Lieutenants, we are of opinion that it is necessary to establish Regulations for the Retirement of Officers in this rank, we would therefore humbly submit to Your Majesty the following proposals:—

"1. Navigating Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

"2. Retired Pay to be granted as follows: after three years' seniority, &c. 6s. per diem, an additional 6s. being given for each complete year beyond three served as Navigating Sub-Lieutenant until the maximum is reached, viz. 6s. per diem.

"3. Officers who, in our opinion, are not deserving of receiving Retired Pay on the above scale, to be granted such lower rate of Pay as we may think fit to award them.

"4. Service for Retired Pay to be calculated in accord-

ance with the Provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Navigating Officers, &c.; time during which a Navigating Sub-Lieutenant may be on Half-pay, after he has served three years in that rank, to reckon in the proportion fixed by the said Order in Council.

"5. Navigating Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their Retired Pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act 34 and 35 Vict. cap. 86.

"6. The existing rules as to Half-pay to Navigating Sub-Lieutenants while on the Active List to remain in force.

"7. We would humbly submit to Your Majesty that the above Regulations be sanctioned, and we further be allowed to apply the same to Navigating Sub-Lieutenant George Horwood, who has served for 41 years and 6 months in Your Majesty's Navy, and who was discharged from Your Majesty's Coastguard Service in July 1871, on attaining the age of 60, from the date of his said discharge.

"We beg that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No. 16.—C.

The Court at Osborne House, Isle of Wight,

The 9th day of August 1872.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 7th of August 1872, in the words following, viz.:

"Whereas we have had under our consideration the position of Inspectors-General and Deputy Inspectors-General of Hospitals and Fleets in Your Majesty's Fleet, with reference to the provisions of Your Majesty's Order in Council of 22nd February 1870, and especially to the provisions that Service shall mean Service on Full-pay; and whereas Inspectors-General are not called upon to serve except in charge of Naval Hospitals at home; and whereas it is provided by the Order in Council of the 7th August 1869 that no Deputy Inspector-General of Hospitals and Fleets shall be promoted to the rank of Inspector-General of Hospitals and Fleets, unless he shall

have served five years as a Deputy Inspector-General, during three years of which period he shall have been in charge of a Foreign Hospital, or of a Fleet or Squadron; and whereas a Deputy Inspector-General cannot serve otherwise than in the capacities mentioned, except in charge of a Naval Hospital at home; and whereas the service of any Inspector-General or Deputy Inspector-General in charge of a Naval Hospital at home or abroad, though not Service on Full-pay, is upon salary equal thereto, we are of opinion that Service by any Inspector-General or Deputy Inspector-General in charge of a Naval Hospital at home or abroad should be held to be Service for the purposes of the said Order in Council of the 22nd February 1870; and we humbly beg that Your Majesty will be graciously pleased by Your Order in Council to give directions accordingly."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

"5. That Fleet Surgeons and Staff Surgeons shall be placed on the same scale of retirement as Chaplains and Naval Instructors, Secretaries, and Paymasters; that is, the maximum to be £600. per year instead of £601."

"6. That any Fleet Surgeon shall have the option of retiring after twenty years' Full-pay service in all ranks at 15s. per day, and after twenty-five years' service at 21s., subject in each case to our approval; but that of those now on the list not more than ten shall retire under this clause in each year (the Officers having the option according to seniority), unless we should approve (with the consent of the Lords Commissioners of Your Majesty's Treasury) of a larger number so retiring."

"7. That of the Medical Officers to be hereafter entered, all shall have the option of so retiring, subject to our approval in each case."

"And we beg leave to represent to Your Majesty that the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the proposed arrangements."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10l. a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1076 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for pension on account of age, long service, or disability is made by a Chief or other Gunner, Boatswain, or Carpenter who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support: if the injury was received before the 30th of August 1870, and no hurt certificate is produced, the

applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been guilty of misconduct.

Chief Gunners, Chief Boatswains, Chief Carpenters, and Warrant Officers who have been dismissed from Her Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 2010.

termining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and General Officers of Royal Marines in receipt of these Pensions shall be allowed to remain there after being retired; but in the case of Flag Officers, if the Retired Pay and Good Service Pension together exceed the Half Pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

Captains retired from that rank shall be allowed to receive, in Retired Pay together with Good Service Pension, a sum not exceeding 600*l.* a year; but, should the two together exceed that sum, they will be retired on 600*l.*, relinquishing their Good Service Pension.

Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be Flag, or General Officers, on the Active List.

Should any Flag Officers holding a Good Service Pension be in receipt of, or be appointed to, Full Pay (not including service on committees, or any temporary employment of a like nature) or Civil Salary, or become

entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Pay, or Salary, or Civil Pension; and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such superannumerary Pension shall be in existence at the same time.

The QUEEN'S most Excellent Majesty in Council.
Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 13th of January 1873, in the words following, viz.:

"Whereas we have had under our consideration the representations made by the Officers of the Royal Marines (and particularly by the Captains and Subalterns) of the continued suspension of promotion in the Corps; and whereas it appears to us, after full inquiry, that the only way of meeting the difficulty, with due regard to the interests of the Officers generally and the efficiency of the Service, will be by adopting, as far as possible, in the Royal Marines, the principle of Retirement and Promotion now established in the Army by Your Majesty's recent Royal Warrant, and by extending the system of compulsory retirement established in the Royal Marine Corps by Your Majesty's Order in Council of the 22nd February 1870, we humbly submit for Your Majesty's approval the following Scheme, which we have submitted in the form of Regulations, which have been framed with the object of providing a fair and even flow of promotion throughout the whole Corps of Royal Marines.

- After 15 years' service, a gratuity of £1,500.

"The above rates of Retired Pay shall not apply to any Officer who entered the service prior to the 1st April 1870, and all such Officers on their retirement, whether compulsory or voluntary, at the periods stated in these regulations, shall be entitled to receive the Retired Pay which they could have claimed under the Orders in Council of the 22nd February 1870 and 5th February 1872, under the same conditions of age and service.

"12.—Retirement from ill-health, &c.

"Officers incapacitated by illness, &c. after only short service to be granted, instead of temporary half pay as allowed by Order in Council of 4th August 1873, Retired Allowances, by way of Annuity, upon the following conditions, which are the same conditions as those imposed upon Army Officers by the 151 and 153 Articles of the recent Royal Warrant, viz.:—

"An Officer who may become unfit for service in consequence of wounds received in action, or of ill-health contracted in and by the performance of military duty, as certified by a Medical Board, may be granted temporary half pay until he shall recover, and until an opportunity shall occur for his re-employment. Except in the case of wounds received in action, the Officer must, however, have served with a commission in Our Marine Forces for three years, unless he shall have been promoted from the ranks, when one year's service only as a Commissioned Officer shall be required. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused in and by the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half pay, after not less than one year upon temporary half pay. In special cases in which the circumstances may appear to Us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide as far as may be, with the principle of a pension of 25 $\frac{1}{2}$ a year at 42 years of age.

"13.—All service for the purposes of gratuity, pension, and retirements to count from the age of 20, except in the case of Officers who entered the service prior to the 1st April 1870, who, under the Order in Council of the 5th February 1872, retain the right of counting time from the age of 16 if appointed before that age, and from the date of their Commission if appointed after 12.

"14.—These Regulations are to take effect from the 1st October 1877.

"The Lords Commissioners of Your Majesty's Treasury have signified to us their concurrence in these proposals."

HER MAJESTY, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL.—C.W.

At the Court at Balmoral.

The 23rd day of October 1876.

Present:

The QUEEN'S most Excellent Majesty
in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of October 1876, in the words and figures following, viz.:—

"Whereas we have had under our consideration certain cases in which Officers of Your Majesty's Naval and Marine Forces have been dismissed from Your Majesty's Services by Court-Martial for misconduct, or have been allowed to resign their Commissions to avoid trial by Court-Martial; And whereas such Officers are, in some cases after good service for long periods, rendered destitute by being thus deprived of all professional re-

sources: We do therefore most humbly submit, that we be empowered at our discretion to grant compassionate allowances from this date, both to such Officers and also to those who may hereafter be so removed from the list of Your Majesty's Naval or Marine Forces, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of such removal, and provided also that such allowance shall not in any case exceed 100 $\frac{1}{2}$ per annum.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

C. L. PHIL.

NAVAL RETIREMENT PREVIOUS TO 1870.

FLAG OFFICERS.

1851.

- B. Her Majesty, by Her Order in Council of 26th June 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 31 to be Admirals, 27 Vice-Admirals, and 51 Rear-Admirals: this reduction will be effected as follows, viz. —

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June 1837. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.
2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.
3. Vice-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointments of Vice- and Rear-Admirals of the United Kingdom, or promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 86:—

Admirals of the Fleet and Admirals	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	22
Rear-Admirals	43
Total	86

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag from that date will be subject to compulsory retirement at the age specified above, whether they have served or not.

CAPTAINS.

1847.

- C. The plan of retirement published in the London Gazette of 1st Sept. 1846, and carried out by Her Majesty's Order in Council of 24th April 1847, provides:—

1st. That the rank of Retired Rear-Admirals shall be given, by Seniority, to such applicants from the 1*st*. 6*d*. Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

- D. 2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 1*st*. 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 30 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1853) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 1*st.* 6*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 36, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75, 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 360, and the reductions shall be effected as follows, viz. —

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 360, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captain's List for ten years, to be eligible for retirement. The Retirement will be so kept up to 360 until the List of Captains shall be reduced to 360; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 360.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10 <i>s.</i> 6 <i>d.</i> Half-pay List when retired	1 <i>l.</i> 5 <i>s.</i> per diem.
If on 1 <i>l.</i> 5 <i>s.</i> 6 <i>d.</i>	2 <i>l.</i>
If on 1 <i>l.</i> 6 <i>d.</i>	3 <i>l.</i>

Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag seniority, had they remained on the Active List. Admirals who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Retired Flag Officers, with the pay of 30s. per diem. Admirals now on the 16s. 6d. Half-pay List not to be varied by these arrangements unless by their own desire.

1864.

The Active List of Captains to be reduced from 350 to 300.

The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

On the 16s. 6d. Half-pay List when retired.	18s. per diem.
On the 16s. 6d. " " "	30s. " "

Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag seniority, had they remained on the Active List, and then receive Retired Pay at the rate of 30s. per diem, subject to the proviso contained in paragraph 8.

The above system of retirement to be extended to Captains who may have attained the age of 65, provided willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause as he has been five years on that List.

Captains who shall be found physically unfit for service, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 30s. a day, according to their standing on the List of Captains, and if less than that period of fifteen years; and, if less than that period of fifteen years, at the rate of 10s. a day. Such Officers to be placed on the Retired List, and pay with other Captains of the same rank, subject to the proviso contained in paragraph 8.

The number of Captains who may have attained the age of 60, and who are not desirous of further employment, shall be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirements shall be allowed to take place under this clause.

Captains who may arrive at their turn for promotion to the Active List, without having served the time required to qualify them for their Active Flags, to be placed on the Retired List of Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 30s. a day; subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 30s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August 1860, have already attained, or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860 to be allowed more than the pay of 30s. a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 30s. a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age, retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

GENERAL NOTES.—The Widows of Officers on the Reserved and Retired Lists only are entitled to the pensions applicable to the rank of their husbands at the date when they were last on the Active List, unless specially provided for in this Table. An exception, however, to this rule is made in the case of retired Captains when advanced to the rank of Flag Officers, whose widows are pensioned as the widows of Flag Officers. Orders in Council granting increased rates of Pension are never retrospective.

The rules for Pensions and Compassionate Allowances for Widows of Temporary Service Engineers and Assistant Engineers will be found with the other Regulations respecting these Officers.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations can not be claimed as a *Right*—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the ordinary Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commissioned Officer, married after the age of sixty Years,—or, being a Chief Gunner, Boatswain, or Carpenter, or Warrant Officer, married after the age of fifty Years; except such as were warranted prior to 30th June, 1880, or who were on the Active List of Chief or other Gunners, Boatswains, or Carpenters on 1st October 1876, or subsequently placed thereon, in whose case the limit of age is sixty.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided he was officially warned that his

Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof; and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commencing his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 31st of December, 1880, are only entitled to the Pensions of their respective classes. In the event of their husbands having ten complete years' seniority as Commissioned Officers, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority, was in good health when he married, and it be clearly shown that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The Widows of Chief and other Gunners, Boatswains, and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (excluding, in the case of Gunners, gunsmiths, included) and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year of Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible.

11. The Pensions of Widows who shall have re-married prior to the 31st of December, 1880, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st December, 1880, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

13. If a Widow, in consequence of re-marriage, either before or after the 31st December, 1880, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

14. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

15. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given or a Decree of Declaration of Marriage.

16. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of the Officer at the date when they were last on the Active List, except in the case of Retired Captains advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

17. *Widows of Marine Officers.*—The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the case of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such

qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service for all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbance on shore or afloat; and persons dying of their wounds within six months shall be considered as persons slain, viz. :—

1. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

2. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

3. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widows' Pension may under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

4. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and in view of their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

5. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz. :—

1st. Children of Officers killed or drowned on duty.

2nd. Children of Officers dying from illness contracted in the Service.

3rd. Orphans having neither Father nor Mother.

4th. Children of Officers dying in Foreign Service.

5th. Children of Officers dying on Full-Pay at Home.

6th. Children of Officers dying on Half-pay, and on the Reserved and Retired Lists.

7. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or are otherwise previously provided for; and those in the Navy may be continued until they marry, or attain the Age of Twenty-one, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support, and that they are still in distressed circumstances.

8. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

9. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

34. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

ceipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

39. *Sisters*.—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

All Pensions are held during good behaviour, and may be forfeited for misconduct, to be judged of by the Admiralty.

GREENWICH HOSPITAL PENSIONS.

These Pensions are the "Age" and "Special Pensions." They are given entirely at the discretion of the Admiralty, and are not granted to any person whose character whilst in or after leaving the Navy has not been good.

They are given to Naval Pensioners only (i.e., to Seamen, Marines, Coast Guard Naval Pensioners, Yard Craftsmen, and Riggers of Dockyard); but Civil Pensioners with over 10 years' service in the Navy, and in certain other cases, are eligible for the Special Pensions.

Age Pensions are given only to Life Pensioners.

A Naval Pensioner is eligible for the Age Pension of 5d. a day on attaining the age of 55, if he has been in receipt of his pension for 5 years; and for the increase of such age pension of 6d. a day at the age of 65, if he has been in receipt of his Naval Pension for 10 years.

The number of Pensions in force at any one time is not to exceed 7,500; the vacancies to be filled up quarterly by selection.

The Age Pension is not granted if it would with other Pensions exceed 2s. 6d. a day, and only so much of it is allowed as will make up that sum.

These regulations are not to affect any Pensioner in receipt of an Age Pension in July 1879, or any Pensioner who, being already in receipt of 6d. a day, will be eligible for the additional 6d. a day on attaining the age of 65; or any Pensioner who joined the Seaman Pensioner Reserve Force prior to the issue of these

regulations, and who is thereby entitled, under certain conditions, to the Greenwich Hospital Age Pension of 6d. a day at the age of 50.

The Deferred Pension of Marines gives no claim to the Age Pension.

Special Pensions are given, at the discretion of and under Regulations framed by the Admiralty, to men unable to contribute materially to their own support, and vary in amount and duration according to each man's degree of disability, and the other circumstances of his case; the amount of the fund from which these Pensions are given is limited to 20,000*l.* a year.

They are given in addition to Naval Age Pension subject, however, to the limits expressed in the following List:—

Except under very special circumstances the minimum pension will be awarded in every case.

Men discharged for syphilis, or whose general character has been bad or indifferent, or who have forfeited service by B. against their names within the last 10 years of their time, are ineligible for special pensions, as are men in workhouses, unless removed by their friends.

Men eligible for the benefits of Greenwich Hospital are admitted to Naval Hospitals when their cases require treatment, or may be granted a special allowance (not to exceed, however, including all other pensions, 1s. 6d. a day) in lieu of treatment, but permanent admission into a hospital is not allowed.

SPECIAL PENSIONS TO CONTRIBUTORS TO GREENWICH HOSPITAL FUNDS PREVIOUS TO 1830.

The Widows of Petty Officers and Seamen of the Royal Navy, and of Non-Commissioned Officers and Privates of the Royal Marines, are not eligible for Pensions under any circumstances whatever, but if their husbands have been killed or drowned on duty in Her Majesty's Service, or shall have died from causes clearly attributable to the Service they shall be allowed, or when it shall be proved to the satisfaction of the Admiralty that they died from the effects of injuries or diseases caused by extraordinary exposure or exertion on Service within six months after being first certified to be ill, they shall be allowed a Gratuity equal to one year's full wages, according to the rating of their late husbands at the time of their death, exclusive of any badge or other extra or additional pay.

All correspondence on this subject is to be addressed, "To the Accountant-General of the Navy."

In the event of such men not leaving widows, but leaving children, or aged parents who were dependent on their sons' official allotments, Gratuities, not exceeding one year's full-pay, may be given, at the discretion of the Admiralty, to such children or parents, or when it shall be proved to the satisfaction of the Admiralty that they died from the effects of injuries or diseases caused by extraordinary exposure or exertion on Service within six months after being first certified to be ill, they shall be allowed.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows: Videlicet—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed: that is to say—

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always

to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral for Officers Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distribution of benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion herein-after set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants, staff commanders, navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines (artillery or light infantry) or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains, and field officers of marines (artillery or light infantry) or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board or absent on duty in a prize, who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, viz.

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

I, A. B., am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, (or, in the particular Ship, as the Case may be); And I hereby engage to make good to the Captain or Captains, Officer or Officers commanding such Ship or Vessels respectively (or, Ship or Vessel, as the Case may be), such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually incurred, and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible so both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels, and Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thereupon taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Admiralty, 4th June 1821.

Sir,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one port to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by

The Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves Judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June 1831, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

Every Boy must bring with him a Certificate of Birth, or a Declaration made by his Parents or Guardians before a Magistrate to show that he is of the proper age; and also the consent in writing of his Parents or Guardians, or nearest relatives if he be an Orphan, to his entering the Navy and engaging to serve until he shall have completed 10 Years Continuous Service from the age of 15.

Boys are not to be received from Reformatories or Prisons.

The Examining Officers on board a District Ship will be the Captain or Commander, a Lieutenant or Navigating Lieutenant, and a Medical Officer; on board a Training Ship, the Commander (or in his absence an Officer of that rank to be appointed by the Commander-in-Chief), a Lieutenant or Navigating Lieutenant, and a Medical Officer; when, however, a Boy has been already passed by a Naval Medical Officer, he is not to be medically examined a second time, unless the Commanding Officer of the Training Ship to which he is sent shall think it necessary, and in such case the Boy is to be examined by a Board of three Medical Officers. The Medical Examination is, in all cases, to be conducted as laid down in the Regulations.

If the Examining Officers are of opinion that the Boy is in every respect fit for the Service, the engagement to serve continuously in Her Majesty's Navy until he has completed 10 Years' Service from the age of 15 is to be read and explained to him, and if he voluntarily agrees to its terms, he is then, in the presence of a witness, to sign his engagement, and to be entered on the books of the Ship.

The Examining Officers will also fill up the Form and Certificate attached to the engagement, and will sign the same, and will transmit the document to the Accountant-General of the Navy.

Particulars can be obtained on application, by letter or otherwise, to the Captains of District or Training Ships or other Officers empowered to raise boys.

Boys raised in the London district are examined on Tuesday and Friday in Hemming's Row, St. Martin's Lane.

All such cases, however, are to be specially noted in the lists sent to the Admiralty, and the grounds upon which such Candidates have been admitted are to be fully stated. All candidates must produce certificates to the satisfaction of the examining Medical Officers that they have been revaccinated, or they must be revaccinated, before they can be considered eligible for entry into the Dockyard.

9. Apprentices will be bound by indentures to serve for seven years, and no candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the Indenture as to the support, &c., of the Apprentice during his apprenticeship. Board wages will only be allowed in the case of boys whose fathers have died or been killed in Service under the Admiralty, and when it can be proved the family are in distressed circumstances, or in other very special cases.

10. On the expiration of their period of service Apprentices will receive a certificate of their character and conduct, the progress they have made in their trade and in the knowledge of the subjects prescribed for Dockyard Apprentices.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £30) in the cases of Chief and First-Class Petty Officers of the Navy and

Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

REGULATIONS FOR ENTRY OF OFFICERS IN THE ROYAL NAVAL RESERVE.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court of Windsor,
the 1st day of March 1864.

Present:

The QUEEN'S Most Excellent Majesty in Council.

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy, shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished

Service before the Enemy, either at Sea or in the Field, or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the insignia of an Order, must be notified to Her Majesty's Principal Secretary of State

for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the Queen, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission does not authorize the assumption of any title, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher class of the same order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV. on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 3 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in Our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in Our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall

consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

552 REGULATIONS AS TO WEARING MEDALS, &c.

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eightieth.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninethy.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his special distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen

and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officer, or Non-commissioned Officers or Men, shall carry with it as Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twentieth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

WARRANT extending the two Decorations styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in saving life on land.

VICTORIA R.

VICTORIA by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1866, in the 29th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say:—

"VICTORIA R.

"Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

"Whereas We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour:

"Now for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and create and by these presents for Us, our heirs and successors, institute and create, a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained that the distinction shall be styled 'The Albert Medal,' and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width with two white longitudinal stripes.

"Secondly.—It is ordained, that the Medal shall be suspended from the left breast.

"Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the due time of the instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign

Manual, and his Medal be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 15th day of April 1867 in the 30th year of Our reign, intitled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "The Albert Medal," and instituting in lieu thereof two new Decorations, to be styled respectively "The Albert Medal of the First Class" and "The Albert Medal of the Second Class:"

And whereas the Warrant of the 15th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled 'The Albert Medal of the First Class,' and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled 'The Albert Medal of the Second Class,' and shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the due time of the said Warrant of the 7th March 1866, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second

WARRANT extending the two Decorations styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in saving life on land.

VICTORIA R.

VICTORIA by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1860, in the 35th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say:—

"VICTORIA R.

"Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

"Whereas We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour:

"Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 15th day of April 1867, in the 30th year of Our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1860, instituting a new Decoration to be styled 'The Albert Medal,' and instituting in lieu thereof two new Decorations, to be styled respectively 'The Albert Medal of the First Class,' and 'The Albert Medal of the Second Class:'

And whereas the Warrant of the 15th day of April 1867, after reciting the said Warrant of the 7th day of March 1860, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1860, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be invariably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled 'The Albert Medal of the First Class,' and shall consist of a gold oval-shaped badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled 'The Albert Medal of the Second Class,' and shall consist of the like shaped enamelled badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of the Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1867, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second

Class should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts as are graciously pleased to extend the two Decorations styled respectively "*The Albert Medal of the First Class*" and "*The Albert Medal of the Second Class*" to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances which shall from henceforth be inviolably observed and kept.

First.—It is ordained that "*The Albert Medal of the First Class*," when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letter V. and A., erect in gold, surrounded with a Garter in Bronze, inscribed in raised letters of gold, "*For Gallantry in Saving Life on Land*," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that "*The Albert Medal of the Second Class*," when conferred for Gallantry in saving life on land shall consist of the like badge, save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the "*London Gazette*," and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril within Our dominions, other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of Our Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

Given at Our Court at St. James, this Thirtieth day of April, One thousand eight hundred and seventy-seven, in the Fortieth year of Our reign.

By Her Majesty's Command,

(Signed) RICHD. ASKEWTON CROSS.

HUMANE SOCIETY'S MEDALS.

Circular No. 11.—C.

Admiralty, 19th March 1869.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasp and Bars for subsequent acts of bravery, in cases

where a medal has been already granted,—my Lord Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasp when awarded by the Humane Society.

By Command of their Lordships,

W. G. ROBERTS.

To all Commanders-in-chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

This notice is issued by the Secretary of State for the Colonies, for the information of Officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer privileges to that class of settlers in the acquisition of Crown lands.

1. Colonies which offer Privileges.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia and Honduras.

2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. Nature and Extent of Privileges.

In British Columbia a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz:—

	Acres.
Field Officers of 35 years' service, in the whole	600
Field Officers of 30 " " "	500
Field Officers of 15 " " "	400
Captains of 30 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 30 years' service, and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	300

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz:—

	£
Field Officers of 35 years service and upwards, in the whole	600
Field Officers of 30 " " "	500
Field Officers of 15 " " "	400
Captains of 30 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 30 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	300

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1863.

5. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man,

from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage *bona fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorized to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

The UNION ASSURANCE SOCIETY has now been in existence for upwards of One Hundred and Sixty Years.

The Invested Funds of the Company exceed ONE MILLION AND A HALF STERLING; which, in conjunction with the guarantee of an influential and wealthy Proprietary, enable the Company to offer to intending Assurers the most absolute security.

FIRE DEPARTMENT.

The Directors are ready to receive Proposals for insuring Property generally, in Great Britain and Ireland, at equitable Rates, and according to the risk to be protected.

LIFE DEPARTMENT.

Four-fifths of the Office Profits are appropriated to the benefit of the Assured every five years, thus giving them nearly all the advantages of a Mutual Company, but without any risk or liability whatever. During the last thirty years the BONUS has averaged

One Pound Ten Shillings per Cent. per Annum on the Sum Assured.

The Bonus can either be applied in increasing the Sum Assured, in reducing the Amount of the Annual Premium, or its present value can be received in Cash.

Where the Bonus has been applied to reduce the Annual Premiums, considerable reductions have been made; and in many instances the present with the past Bonus additions will completely extinguish all future Premiums payable under the Policy.

Officers in the Royal Navy or in H.M. Marine Forces can insure by uniform Annual Premiums, not subject to increase on their being ordered abroad or residing whilst in either of these Services in any part of the world.

The following are the Whole-world Rates for an Assurance of £100 on the life of a Naval Officer, exclusive however of the risk incurred in actual warfare.
